## **Health Checklist**

This health checklist is simply to give us an idea of your horse's current health status. This in **no way** impacts your likelihood of being accepted as a livery, so please complete the checklist to the best of your ability.

Once completed, please send it back to us at info@pbpaddockparadiselivery.com.

If you have any issues completing the checklist, please contact us directly.

Does your horse currently have or is prone to...
