

Diet, Lifestyle & Rehabilitation - Consultation Form

With PB Paddock Paradise Livery

Contact Details:	
Name:	Email & Phone Number:
Appointment type, i.e. home visit, zoom or phone call: (Please also provide your address below if a home visit)	
Consultation Details:	
Name of horse:	Age:
Height:	Breed:
Is your horse currently shod, barefoot or other?	What type of equine professional attends to your horse's hooves?
How often is your horse trimmed or shod?	Is your horse on any medication?
Has your horse been seen by a bodyworker, dentist, saddle fitter or chiropractor recently? If yes, please provide any details that could be helpful.	

What are your main concerns with your horse's mental, behavioural or physical health?

Is your horse currently in any type of ridden or in-hand work? If yes, please specify.

Has your horse been seen by a vet for your current concerns? If so, can you please provide the diagnosis your horse was given or the treatment they have recommended.

Diet, Management & Environment:

Please provide a list of what your horse is currently fed. This includes type of hay, grass, supplements, herbs and hard feed:

How is your horse currently kept? Please provide a description of their daily routine.

For example: my horse is turned onto a grass paddock by himself during the day and is stabled at night.

What do you hope to gain from this consultation?
